The Executive Order issued on January 20, 2025, the day of the inauguration, no time was wasted Enforcing Binary Gender Recognition and Marked Significant Policy Shift and Employment Impact
- this executive order is based on a LIE

The Fabricated Binary Film is a head-on contradiction to the executive order issued on January 20, 2025, the day of the inauguration of his second presidency.
In the face of sweeping executive orders attempting to legally erase their existence, a resilient network of nonbinary and transgender Americans use the raw power of their own stories to reclaim their power.

What is a gender identity?

Throughout all of human history there have been many cultures that recognize more than 2 genders.

Not just ancient or indigenous cultures - modern cultures have recognized more than 2 genders.

There are simply too many genders to list.

The english language is a colonized language.
***the ones who control the language control the masses, this is a calculating and cruel order with an agenda**

Gender is about an INTUITIVE/PERSONAL UNDERSTANDING or SENSE of being man, a woman, or a non-binary person

Sex vs Gender

EXTERNAL INTERNAL

*Sex is about your PHYSICAL CHARACTERISTICS (Your Body)
*Gender is about your PERSONAL SENSE (Your Understanding of Who You Are)

JUST LIKE HAIR AND EYE COLOR MATCH FOR MOST PEOPLE (BROWN & BROWN) BUT AREN'T CAUSED BY THE SAME TRAIT.

HINT: We know because people whose hair and eye color don't match exist!
So how do we know that sex and gender aren't the same thing
Remember - not that long ago left-handed people were demonized
